**Our Spring GT Nomination Window opens Monday, February 27, 2017**

**Nomination packets will be available beginning February 27 and can be obtained from the Elementary and Middle School campus offices**

Parents and teachers of students in Elementary grades 1, 3, 4 and Middle School grades 5–7 who wish to nominate their child/student to be screened for possible placement in the Howe ISD GT Program for the 2017-2018 school year may pick up a nomination packet from their campus office.

Students in kindergarten and second grade are automatically screened each year.
