Dear Incoming-Freshman Parent/Guardian:

It's hard to believe, but the Howe Middle School 8th graders will become the newest members of the Howe High School student body before you know it.

On Tuesday April 18th, We will meet with the incoming Freshmen and Parents in the High School Library from 4:30-5:30pm. We will have a 2nd opportunity on Thursday, April 20th 6-7pm. This will be the first chance for 8th graders to pick their classes and fill out their Graduation Plans. It will also be the chance for parents to learn more about the Foundation Graduation Plan and the endorsements. We will start with an informational meeting, and then be available to help students fill out their 4-year plan, pick their courses, and answer questions.

Also, in August we will hold our annual Freshman Orientation where Parents and students will be invited to the High School for additional information on the High School experience. At this time, Students can: pick up their schedules, get locker assignments, tour the building, etc. The specific date will be announced at the end of this school year, on the website, and in local newspapers in early August.

If you have any questions regarding schedules for next year, please do not hesitate to contact me at the number below or by e-mail at Heilman.renae@howeisd.net

We look forward to meeting and working with you and your student.

Sincerely,

Renae Heilman
